TICKETS

All the ticket prices include 50CZK garbage deposit (if you bring back a full garbage bag you will get 50CZK refund). When entering the festival area for the first time, you'll get a bag including festival schedule and instructions. Please use that bag as the garbage bag - if you bring it back filled with garbage, you'll be refunded with your garbage deposit.

How to get the 3-day ticket(s) at a reduced price of 1257CZK (approx. 49,00EUR)?

The ticket(s) has to be paid upfront via PayPal.com . Our PayPal account is **info@shindy.cz**
We will email you a confirmation message when your payment is on our account. This email will contain also a code that is necessary to be shown when you pick up the ticket(s) at the festival. Please keep that code secret and safe. You will need that code to get the ticket(s). The ticket(s) will be ready at the ticket office from Wednesday August 11th, 2010 from 3 PM onwards to be picked up at any time later [no matter what day you are attending the festival].

Please note that it takes several days to get the money on our PayPal account and also it takes some time to make the whole process complete. That's why we sincerely ask you to make your payment before July 30th, 2010!

IMPORTANT: Please make sure you are transfering 1257CZK. We will no longer accept PayPal transfers in EUR or USD because of the currency differencies. All PayPal users can choose from 18 currencies so please make sure you are transfering 1257CZK (Czech Koruna) per one ticket.

How to reserve the 3-day ticket(s) at a price of 1500CZK (approx. 59,00EUR)?

The capacity of the festival ground is around 15.000 persons. If the numbers of visitors will be rising again, it may happen to be sold out. That's why we recommend you to buy the ticket in presale or reserve your ticket.
You can reserve your ticket by sending an email to: infoassault@centrum.cz .
Please mention your name and number of tickets you want to reserve.
The tickets will be ready at the ticket office from Wednesday August 11th, 2010 from 3 PM onwards to be picked up at any time later [no matter what day you are attending the festival].

Please note that we accept the reservations until July 30th, 2010!
We will be busy with the festival preparations after that date so no ticket reservation(s) will be accepted after July 30th!

Don't wanna pay upfront or reserve the ticket(s)?

We do not recommed this option due to the festival ground capacity restrictions. So don't risk a several hours trip without a presale or reserved ticket!
